In the BRITISH COLUMBIA GAZETTE, and in one newspaper published in the District affected, or if there be no newspaper published therein, then in a newspaper in the next nearest District in which a newspaper is published.

Such notice shall be continued in each case for a period of at least six weeks, during the interval of time between the close of the next preceding Session and the consideration of the Petition, and copies of such notice shall be sent by the parties inserting such notice to the Clerk of the House to be filed amongst the records of the Committee on Standing Orders.

57. No Petition for any Private Bill shall be received by the House after the first ten days of each Session, nor may any Private Bill be presented to the House after the first three weeks of each Session, nor may any Report of any Standing or Select Committee upon a Private Bill be received after the first four weeks of each Session, and no Motion for the suspension or modification of this Rule shall be entertained by the House until the same has been reported on by the Committee on Standing Orders, or after reference made thereof at a previous sitting of the House to the Standing Committees charged with consideration of Private Bills, who shall report thereon to the House. And if this Rule shall be suspended or modified as aforesaid the promoters of any Private Bill which is presented after the time hereinbefore limited, or for which the Petition has been received after the time hereinbefore limited, shall in either case pay double the fees required as herein mentioned, unless the House shall order to the contrary. Any person seeking to obtain any Private Bill shall deposit with the Clerk of the House, eight days before the opening of the Session, a printed copy of such Bill, a copy of the Petition to be presented to the House, *together with the notices published*. At the time of depositing the Bill, the applicant shall also pay to the Clerk of the House a sum of three hundred dollars. If a copy of the Bill, Petition and notices shall not have been so deposited in the hands of the Clerk of the House at least eight days before the opening of the Session, and if the Petition has not been presented within the first ten days of the Session, the amount to be paid to the Clerk shall be six hundred dollars. If the Bill shall not pass second reading one-half of the fees paid shall be returned.

61. All Private Bills for Acts of Incorporation shall be so framed as to incorporate by reference the clauses of the General Acts relating to the details to be provided for by such Bills:—Special grounds shall be established for any proposed departure from this principle, or for the introduction of other provisions as to such details, and a note shall be appended to the Bill indicating the provisions thereof in which the General Act is proposed to be departed from. Bills which are not framed in accordance with this Rule shall be re-cast by the promoters and re-printed at their expense before any Committee passes upon the clauses.

65. There shall be a marginal number every fifth line of each page; the numbering of the lines is not to run on through the Bill, but the lines of each page are to be numbered separately. Two

hundred copies of each Bill shall be deposited with the Clerk of the House immediately before the first reading. If amendments are made to any Bill during its progress before the Committee on Private Bills, or through the House, such Bill shall be reprinted by the promoters thereof.

By new Rule 65A, passed on the 2nd April, 1901 (*see Journals*, 1901, page 58), a model form of Railway Bill is adopted.

By 65B all Bills to incorporate or amend Bills incorporating railway companies are to be drawn in accordance with the Model Bill.

The provisions contained in any Bill which are not in accord with the Model Bill shall be inserted between brackets.

Any exceptional provisions that it may be proposed to insert in any such Bill shall be clearly specified in the notice of application for the same.

DOMINION ORDERS IN COUNCIL.

(Ref. 442,757)

AT THE GOVERNMENT HOUSE AT OTTAWA.

Tuesday, the 14th day of April, 1903.

PRESENT:

HIS EXCELLENCY THE GOVERNOR-GENERAL
IN COUNCIL.

WHEREAS section 3 of the regulations governing the granting of yearly licences to cut timber on Dominion Lands in Manitoba, the North-West Territories, and within the Railway Belt in British Columbia, established by the Order in Council of the 1st July, 1898, as amended by subsequent Orders in Council, provides that when a licensee has complied with all the conditions set forth in his licence and the Regulations, and where no portion of the timber is required for settlement or other public purpose, of which the Minister of the Interior is to be the judge, the licence may be renewed for another year subject to such revision of the annual rental and royalty to be paid therefor as may be fixed by the Governor in Council:

And whereas representations have been made that the tenure of a licence under the provisions above cited is unsatisfactory as no guarantee is given that the licence will be renewed, provided the licensee has fully complied with the provisions thereof, and it is considered that an assurance should be given to a licensee that his licence will be renewed if he has complied with its conditions:

Therefore the Governor-General in Council is pleased to order that the said section 3 of the Regulations governing the granting of licences to cut timber now in force, shall be, and the same is hereby repealed and the following substituted in lieu thereof:—

“So long as the licensee complies with the conditions of his licence and of the regulations, he shall be entitled to a renewal of his licence from year to year while merchantable timber remains upon the area licensed. When a substantial portion of the said area has been denuded of timber, the Minister may dispose of the same under sale or settlement regulations, provided that no such disposition shall be made of land immediately contiguous to merchantable standing timber, or in such a way as to endanger destruction thereof by fire.”

The Governor-General in Council is further pleased to order that sub-section 2 of section 10 of the said Regulations be rescinded, as the provision therein made for the withdrawal of lands from the operation of a licence for settlement, is provided for in the above proposed amendment to the Regulations:

The Governor-General in Council is also pleased to order that sub-section 9 of section 10 of the above cited Regulations shall be and the same is hereby rescinded, and the following substituted in lieu thereof:—

“The licence shall be subject to forfeiture for wilful infraction of any of the conditions to which it is subject, or for any fraudulent return, and in such case the Minister of the Interior shall, under the restrictions hereinafter provided, have the right, without compensation to the licensee, to cancel the same and to make a new licence or disposition of the said berth to any

other party in accordance with these regulations; provided that the Minister of the Interior, if he sees fit, may refrain from forfeiting such licence for non-payment of dues and may enforce payment of such dues in the manner provided by the said Act; provided further that if the Minister shall decide to exercise the powers of cancellation conferred by this sub-section he shall give the licensee three months' notice in writing, by mailing the same to the last known place of address of the licensee, and by publishing the said notice not less than once a week during three months in a newspaper published in the Provinces of Manitoba and British Columbia, and publishing said notice also in each issue of the official gazette during a period of three months. If the licensee, within one month after the expiration of the last publication, as aforesaid, disputes the existence of any cause sufficient under this sub-section to warrant the cancellation of his licence, the question of fact involved shall be referred by the Minister to the Exchequer Court of Canada for report. The report of such Court shall be appealable in like manner as any other decision of the said Court. If the violation of the regulations refers merely to payment of money, the Court may relieve from forfeiture on payment of double the amount found to be due, and costs. Upon the final report from the Court being received, the Minister may proceed in accordance with such finding under this sub-section."

my28 JOHN J. McGEE,
Clerk of the Privy Council.

(Ref. 783,375.)

AT THE GOVERNMENT HOUSE AT OTTAWA.

Wednesday, the 13th day of May, 1903.
